

## NAMBOL L. SANOI COLLEGE

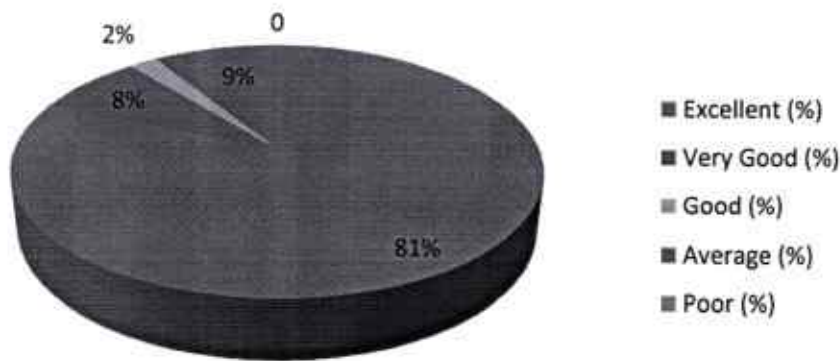

### NAMBOL, MANIPUR

#### Analysis of Alumni feedback on Syllabus and its Transaction 2021-22: An Analysis

The feedback of the Alumni is an essential component for analysis and improvement in the higher education academic culture. The Alumni can talk freely about the challenges faced by them once they are out of the formal structure. The feedback regarding the syllabus and its transaction are collected from the Alumni for the academic year 2021-22.

### Action taken report on the Alumni Feedback (2021-22)

The college collects feedback on syllabus and its transaction from its Alumni for the year 2021-22. The feedback we received is analysed and necessary actions are taken.

Sl. No.	Feedback	Action Proposed/ Taken
1	Course of study relevant to real life application.	Since the syllabus is designed by the Affiliating University, the college has no room for any changes. However the college has proposed to make a better learning experience by organising more student centric activities.
2	The knowledge imparted was useful and relevant in my professional life.	Since the syllabus is designed by the Affiliating University, the college has no room for any changes. However the college has proposed to make a better learning experience by organising more student centric activities.
