- (d) What are the major problems of caesarean births. (2019)
- (e) How does the development of child proceed from general to psecific. (2020)

Very Short Answer Unit II (3 marks)

- (a) The period of neonate (2016)
- (b) Post-natal care in modern hospitals (2017)
- (c) Pre-natal and post-natal development (2018)
- (d) Abortions. (2019)
- (e) Characteristics of a new born baby (2020)

Unit II: Long Answers 12 marks each.

1. What are the stages of pre-natal development? Explain the possible hazards of fetal period. (2016) 4+8=12
Or
Discuss, in brief, various principles of child development. (2016) 12
- 2.. What are the causes of prematurity? Explain the problems of prematurity. (2017) 6+6=12
Or
Define growth and development. Write the differences between growth and development. (2017) 4+8=12
3. Explain the chief principles of growth and development. (2018) 12
Or
Discuss the main factors affecting development during pre-natal stage. (2018) 12
4. What are the growth and development? What are the differences between growt and development?(2019) 4+8=12
Or
What are the pre-natal and post-natal stages of development ? explain the possible hazards of fetal period. (2019) 2+2+8=12
5. What is child development ? explain the importance principles of child development. (2020) 4+8=12
Or
Discuss the factors affecting development during the post-natal stage. (2020) 12

Short Answers Unit-II : 5 marks

- (a) What are the important characteristics of a newborn child? (2016)

What is motor development. Discuss the important factors of motor development. (2020) 4+8=12

Short Answers (Unit -III) 5 marks

- (a) Explain the social development during the period of childhood. (2016)
- (b) Write the main factors affecting physical growth and development of the child. (2017)
- (c) Explain the main factors influencing emotional development of the child. (2018)
- (d) Explain the factors affecting emotional development of children. (2019)
- (e) Write the different stages of language development. (2020)

Very Short answer (Unit -III)

- a) Rooming in system (new system of infant care) (2016)
- (a) Pre-lingual communication (2017)
- (c) Common causes of delayed motor and physical development (2018)
- (d) Speech defects (2019)
- (e) Emotional development during childhood. (2020)

Unit - III Long Answers 12 marks each.

- 1. What is perceptual development? Explain the main characteristics of the perceptual development of the child. (2016) 4+8=12
Or
To” What is emotional development? What are the factors affecting emotional development of children? (2016) 4+8=12
- 2. What is language development? Explain the factors influencing the development of language in children. (2017) 4+8=12
Or
What is social development? Discuss the factors affecting the social development of the child. (2017) 4+8=12
- 3. What is motor development? Discuss the important factors in the teaching of motor activity. (2018) 4+8=12
Or
Define perceptual development. Explain the chief characteristics of child’s perceptual development. 4+8=12 (2018)
- 4. What is social development? Discuss the factors affecting the social development of the child. (2019) 4+8=12
Or
Define language development. Discuss the factors influencing in language development of the child. (2019) 4+8=12
- 5. What are the major aspects of development during infancy? Explain. (2020) 12

Or

Or

What do you understand by individual differences ?

Explain the different types of individual differences.

(2020)

4+8=12

Short Answers Unit - IV)

(5 marks)

- (a) What are the specific values of play? (2016)
- (b) Write the relationship between maturation and learning. (2017)
- (c) How to develop interests in children? (2018)
- (d) Discuss the relationship between maturation and learning. (2019)
- (e) Show the relation of learning and maturation in child development. (2020)

Very Short answers type (Unit - IV)

(3 marks)

- (a) Individual difference (2016)
- (b) Formation of faulty concepts (2017)
- (c) Individual difference/ (2018)
- (d) Development of faulty concepts (2019)
- (e) Concept formation. (2020)

Unit - IV

Long Answers 12 marks each.

- 1.. Explain the term 'concept'. Describe the process of concept formation by giving suitable examples. (2016) 4+8=12

Or

What is interest? Explain how to make children interested in a particular learning activity. (2016) 4+8=12
