Action Taken report on the Students' Feedback received (2019-20)

The college collects feedback on syllabus and its transaction from its students for the year 2019-20. The feedback we received is analysed and necessary actions were taken.

Sl.No.	Feedback	Action Taken
1	Curriculum and syllabi of the courses.	Since the syllabus are designed by the University, the college have little role in this regard
2	Interest in the subject has increased as a result of this course.	The college have developed a more student centric approach like encouraging students to participate more in group discussion etc.
3	Overall learning experience.	Students' learning experience will be increased in the next session by organising or arranging more number of industrial visits, interaction programmes etc.
